Quality Dahlias

Our Own Introductions

1932

Note:—All dahlias (*) in this catalogue, we especially recommend for exhibition purposes.

LUCENA HOPKINS—Formal Decorative. A large full flower of clear nopal red. Its sturdy plant growth and long lasting qualities, make it a valuable variety for cutting. Each \$ 5.00

MARY BELL—Formal Decorative. The unusual shape, artistic coloring, and freedom of bloom of this new dahlia has attracted much attention. It is a rather flat flower—more like a water-lily—of creamy buff tinted rose, with darker center. Lovely for house or garden decoration Each 2.50

***YANKEE GIRL**—Formal decorative. This splendid decorative in the salmon rose shade is a worthy addition to our "Yankee Family." A tested Exhibition Variety. Plants vigorous and free blooming .. Each 7.50

***PEQUOT YELLOW** — Single. This large clear bright yellow seems to possess all desirable qualifications to fill a long felt need in this type of dahlia. **Southport** being the site of the great "Swamp Fight" of the Pequot Indians, this name has been applied to a Series of New Singles to the growing and testing of which we have devoted much time .. Each 2.00

***DOTTIE DIMPLE** — Pompon. The best clear bright yellow pompon to date. A gem for exhibition and garden effect Each \$1.50 net

***RUBY**—Pompon. The clear deep shade that you see in the heart of a ruby—an entirely new color in pompons which blends beautifully for decorative purposes. Small and perfect for exhibition Each \$1.00 net

Quality Dahlias

Our 1934 Introductions

Note:—All dahlias (*) in this catalog, we especially recommend for exhibition purposes.

REDWOOD—F. D.—This dahlia is a most attractive light cardinal red. The tall sturdy growing plants are covered with large blooms from early season until frost. Recommended for garden effect and cutting ^{6.00} **\$2.50**

***WHITE FANTASY. I. D. or S. C.** An artistic variety whose form and color vary a little with changing weather conditions. Most blooms are of clear white, but some are charmingly tinted with soft pink. The tall sturdy plants are not troubled by insect pests and carry an abundance of long stemmed flowers which are excellent keepers. ^{5.00} **5.00**

***YANKEE GOLD—I. D.**—The color of this huge flower is gold — bright gold, deepening toward the center. The stems are very strong, and the plants tall. This new dahlia has been greatly admired, both in the garden and in our exhibits **7.50**

SALLY—Single—A new coloring for this class, a bright orange or terra cotta red, that is most attractive .. **2.00**

MARYGOLD—Single—A large bright golden yellow with a pale orange disc **2.00**

Quality Dahlias

LARGE FLOWERED TYPE

English Singles

or

Miniature Flowered Singles

The small flowered Single dahlias in this section are especially adapted to table decorations. As a rule they need very little disbudding. By "Mignons" we mean small singles where the plants do not exceed about 18 in. in height. All plants in this group average less than 3 ft.

AMI BARILLET — Bright red, dark foliage.75
BETTY — Rose pink with a rich dark crimson central disc.50
BLACK BIRD —Rich red with dark foliage.50
COLTNESS GEM — Mignon — A fine small bedder of clear bright geranium red; most attractive. An early and profuse bloomer.50
CRAWLEY STAR —Star single. Bright rose pink, pointed petals.50
DELIGHT —Small deep wine red with lacy foliage. Choice variety. Low plant.75
LADY AILEEN — Mignon — A small bright pink single with fine stems.50
LITTLE JENNY — A combination of bronzy yellow and salmon pink. Very rare.	2.00
LITTLE OTHELLO — Very deep maroon with dark foliage. Choice.75
MRS. J. G. RANDALL — Rose pink splashed crimson. Combine with the clear pinks.50
MRS. JOYNSON HICKS — Reddish bronze with crimson center. Very much like "Fugi San." Good keeper when cut.75
MRS. WM. CLARKE —Mignon—A lovely English bedding single of dull bronzy red. Fine for cutting. Very free bloomer.75
NIMROD — Bright lavender pink and white. Very attractive and profuse variety.50
NOTRE DAME —Bright yellow with fine foliage. Extra good and free.50
ORANGE MIGNON —Dwarf single of bright true orange with concave petals.75
PEGGY —Mignon—Long stemmed flowers of blended old rose, orange and mauve. Combines nicely with the lavender pinks or the autumn shades.50 <i>use</i>

PRINCE FERDINAND OF BULGARIA — Dwarf single, with fine cut foliage. Flowers of bright scarlet red and white, with some of clear red. Very striking and unusual. Splendid border plant.50

TAMARA —Deep cerise pink; long stems.75
UNION JACK — Striped or variegated, white with bright scarlet red.50

Orchid Flowered Dahlias

These delicately graceful flowers are especially suitable for small decorations in the home. They are like singles except that the floral rays are more or less tubular by the turning in of their margins. Disbud for cutflower use.

BUTTERCUP —Beautiful large clear yellow with strong stems.	1.00
ETOILE DE MAISTRE — Face dark chestnut red, reverse golden yellow.75
EVEREST —Pure white, free blooming. Extra good.75
MONS JACQUES GALLARD —A combination of rich red and gold.50
TWINKLE —White suffused violet rose with distinct Tyrian rose mottlings on the reverse. Very striking.	1.00

Miniature Dahlias Novelty Types

The Miniatures are very free flowering and are ideal for gardens or cutting. In general, they are attractive small editions of the regular large types. Here we are designating the miniature "peony flowered" varieties as "Charms."

LITTLE PEARL —Min. S. C.—Similar to "Elizabeth Pape", but a brighter rose pink. Lovely.	1.00
LITTLE SNOW QUEEN — Min. C. — Pure white.	1.50
LON JOHNSON — Min. D. — A lovely long stemmed miniature of a clear light yellow which is an exceptional cutflower.75
MIRTH —Min. D.—A lively orange scarlet.50
NESTHAEKCHEN —Min. S. C. — The color is creamy chamois suffused with pale rose. A gem for either garden or house decoration, as it is most free flowering and an excellent keeper.	Net 1.00
NORAH BELL — Charm. Orange red with yellow base and tinted with blue flame.75
ONAH — Min. I. D. — Amber shaded to orange at center.	1.00
ORIENTAL GEM —Min. S. C.—A deep shade of bright rose pink.75
OUR ANNIE — Charm. Shrimp pink shaded with amber.50
PADDY — Min. D. — Flesh, heavily suffused rose pink. Very free; small for exhibition.75
PERSIMMON — Min. D. — A true persimmon shade, small; orange-yellow.75
PERSIS — Min. I. D. — Coral rose, suffused orange.50
PETER —Min. C.—Yellow suffused and tipped red.75

PHOENIX—Min. I. D.—Old gold with crimson reverse.75
PICTURE — Charm. Dwarf plant. Soft rose blended with orange gold. A charming variety. Free.75
PINK DAISY—Duplex. Small flower of bright rose pink shading lighter75
PINK PEARL—Charm. This delightful variety is an exceptionally free bloomer of pure rose pink; stems long and wiry; plant quite dwarf. Fine for small arrangements.75
RAINBOW — Charm. Old rose with a rust red base; odd and beautiful coloring.50
RALEIGH — Min. I. D.—Salmon rose with a slight shading of yellow at base.	1.00
RED HEAD — Min. D. — A splendid miniature of orange scarlet. Early, and profuse for cutting.75
RED SEA—Min. I. D.—Very showy, light scarlet red; pointed petals. Good keeper.50
RHEINLACHS — Min. D.—Not small, but a most beautiful shade of salmon pink.	1.00
RHODA — Min. I. D. — Glowing orange rose. A most artistic flower.50
SANHICAN SWEETHEART — Min. S. C.—One of the finest. Pale apricot suffused with shrimp pink. Very free blooming, but a small root maker.	1.00
SEA SHELL—Min. D.—Small and dainty. Its coloring resembles the delicate pink of the inside of a sea shell, whence the name. Many blooms tipped white.50
SHIRLEY ORANGE — Charm. A low growing variety of rich amber orange.50
TEDDY JOHNSON — Min. D. — Rose pink and white. Excellent for florists. Most prolific in bloom.50
TINY—Charm. One of the finest of the type. The color is peach with a golden center. Dwarf. Excellent for arrangements.75
WHITE PEARL — Min. Cact.—A pure white that is a very good exhibition flower.	1.00
WHITE STAR — Star Duplex. A free blooming small white that is very attractive.50

Pompon or Bouquet Dahlias

These are a small Ball Type which, for show purposes, must not be over two inches in diameter. They have long stems and are great bloomers; are ideal for cutflowers as they are very lasting.

Pompon and Miniature Dahlias should not be heavily fertilized, but grown rather poor.

Note: Varieties (*) are the best for exhibition.

*AIMEE—Tiny bronze with long stems.	.35
AMBER QUEEN — Clear rich amber, shaded apricot.50
*ATOM—One of the smallest in orange scarlet.35
AVILA — A light lavender rose pink. Good.50
BACCHUS—Bright red ball, rather large but a splendid cutflower.35
*BANTAM — Bright red, splendid pompon.50
*BOB WHITE — Very free bloomer, good form with long stems. Small pure white.50
*BRIGHT EYE — Rose pink, deeper at center. Early.50
DANDY — A splendid soft true orange. Quite dwarf, long stems.50
DEE DEE — Lovely pale lilac on long stems.50
DELICACY — Very dainty lavender orchid, shading lighter.35
DIMPLES—Golden apricot with darker brown center. Fine for decorations.	.35
*DIXIE — Rather small deep red, long stems.50
*DONNIE—Lovely true orange of perfect form. A shade deeper than "Dandy" and smaller. Excellent. ..	.50
*DORIA — Deep crimson maroon. Tiny perfectly round flowers.	1.00
*DOTTIE DIMPLE—Best small bright yellow pompon, with long stems. ..	.75

- EDITH MEULLER**—Splendid cutting variety. An orange red blended with yellow. Tall, strong plant.50
- GANYMEDE**—A lovely combination of fawn and rose.75
- *GEORGIANNA**—Yellow and brownish red. Fine flower. Rather dwarf. . . .35
- GLOW**—Rich coral rose.50
- GRETCHEN HEINE**—White and bright cerise rose.75
- HAZEL**—A most charming variety in the brown shades.35
- HELEN ANITA**—Lavender pink with lighter center.35

English Singles

OR

Miniature Flowered Singles

The small flowered Single Dahlias in this section are especially adapted to table decorations. As a rule they need very little disbudding. By "Mignons" we mean small singles where the plants do not exceed about 18 in. in height. Most plants in this group average less than 3 ft.

	Root
ALTHEA —A charming little flower of terra cotta75
*BEACON —Rich golden yellow50
BETTY —Rose pink with a rich dark crimson central disc50
BLACK BIRD —Rich red with dark foliage50
CARDINAL —Cardinal red, yellow disc—medium tall75
COLTNESS GEM —Mignon—A fine small budder of clear bright geranium red; most attractive—an early and profuse bloomer. Keep old blooms cut as they fade50
COSMEA —A small white which reminds us of a white cosmos with its fine cut foliage50
CRAWLEY STAR — Star Single—Bright rose pink, pointed petals — rather tall50

DELIGHT —Small deep wine red with lacy foliage. Choice variety. Low plant50
FRANK GALSWORTHY — Soft salmon rose with crimson zone. English variety	Net 1.00

PRINCESS OF WALES —Lavender, pale yellow disc50
RED FLASH —Small scarlet red with sharply pointed petals75
RED INDIAN —Indian red, gold center. Cut foliage of deep bronze — choice variety for combinations in arrangement75
SAMBO —Clear dark red — very free flowering50
*SCHWIETER'S BABY — Begonia pink. New miniature single — a novelty	1.00
*TAMARA —Deep cerise pink with very long stems50
ZULU (Kemp's) —Rich red single with black foliage75

Orchid Flowered Dahlias

These delicately graceful flowers are especially suitable for small decorations in the home. They are like singles except that the floral rays are more or less tubular by the turning in of their margins. Disbud, for best results, in cutflower use.

	Root
BUTTERCUP —Beautiful large clear light yellow with strong stems50
* COQUETTE —Large attractive flower of salmon rose pink and creamy yellow. Disbud freely75
ETOILE DE CASTELNAU —Excellent clear lavender rose pink50
ETOILE DE MAISTRE —Face dark chestnut red, reverse golden yellow—not especially free, but very striking in arrangements75

English Singles

OR

Miniature Flowered Singles

The small flowered Single Dahlias in this section are especially adapted to table decorations. As a rule they need very little disbudding. By "Mignons" we mean small single where the plants are not more than 18" in height. Most plants in this group average less than 3 ft.

- BLACK BIRD**—Rich red with dark foliage .50
- CARDINAL**—Cardinal red, yellow disc—medium tall75
- COLTNESS GEM**—**Mignon**—A fine small bedder of clear bright geranium red; most attractive—an early and profuse bloomer. Keep old blooms cut as they fade50
- COSMEA**—A small white which reminds us of a white cosmos with its fine cut foliage50
- FRANK GALSORTHY** — Soft salmon rose with crimson zone. English variety 1.00
- FUGI SAN**—Bronzy yellow with crimson ring; a perfect type—early and free .50
- GRACE AFFLECK** — **Mignon** — Red and white 1.00

- LEMUR**—Rich red, center almost black, foliage very dark50
- LITTLE JENNY**—Very rare combination of bronzy yellow and salmon pink 1.00
- LITTLE OTHELLO**—Very deep maroon with black foliage. Choice variety for contrasts50
- MRS. WM. CLARKE**—**Mignon**—A lovely English bedding single of dull bronzy red. Fine for cutting. Remove old blooms and do not be afraid to prune plants freely when doing so50
- NOTRE DAME**—Bright yellow with fine foliage50
- NIMROD**—Bicolor—bright attractive lavender pink and white50
- PEGGY**—**Mignon**—Long stemmed flowers of blended old rose, orange and mauve50
- PRINCE FERDINAND OF BULGARIA**—Dwarf single, with fine cut foliage. Flowers of bright scarlet red and white, with some of clear red. Very striking and unusual. Splendid border plant50
- RED INDIAN** — Indian red, gold center. Cut foliage of deep bronze—fine for arrangements50
- SCHWIETER'S BABY** — Begonia pink. New miniature single—a novelty75

English Singles

OR

Miniature Flowered Singles

The small flowered Single Dahlias in this section are especially adapted to table decorations. As a rule they need very little disbudding. By "Mignons" we mean small singles where the plants are not more than 18" in height. Most plants in this group average less than 3 ft.

BLACK BIRD —Rich red with <u>dark</u> foliage50
COSMEA —A small white which reminds us of a white cosmos with its fine cut foliage50

LITTLE OTHELLO —Very deep maroon with <u>black</u> foliage. Choice variety for contrasts50
MRS. WM. CLARKE — <u>Mignon</u> —A lovely <u>English</u> bedding single of dull bronzy red. Fine for cutting. Remove old blooms and do not be afraid to prune plants freely when doing so50
NOTRE DAME —Bright yellow with fine foliage50
NIMROD —Bicolor in an attractive lavender pink and white50
PRINCE FERDINAND OF BULGARIA —Dwarf single, with fine cut foliage. Flowers of bright scarlet red and white, with some of clear red. Very striking and unusual. Splendid border plant50
RED INDIAN —Indian red, gold center. Cut foliage of deep <u>bronze</u>50
SCHWIETER'S BABY —Begonia pink. A novelty miniature single75

Anemone Dahlias

These dahlias, like the Singles, have open centers with one row of ray florets, but unlike the Singles, the centers of the Anemone Dahlias are made up entirely of small quilled petals forming a pin cushion effect.

Root

ADA FINCH —Outer petals cream white with a "pin cushion" center of soft yellow	1.00
ALPHA —This novelty has orchid petals and the Anemone center. It is bright red and fine for small arrangements. Dwarf plant75

English Singles

or

Miniature Flowered Singles

The small flowered Single Dahlias in this section are especially adapted to table decorations. As a rule they need very little disbudding. By "Mignons" we mean singles where the plants are not more than 18" in height. Most plants in this group average less than 3 ft.

AMI BARILLET — Rich red with dark foliage50
